

PREVENTION

Overall Focus:

Our goal is to reduce new HIV infections in the greater Sacramento region.

Three Focus Areas:

- How do we eliminate HIV infections in the most affected populations: African American men & women, Hispanic men & women, and gay men of all ethnicities?
- How can we reach out and provide education to African American men & women, Hispanic men & women, and gay men of all ethnicities on an individual and group level?
- How do we measure the effectiveness of prevention activities?

Tasks for meeting #2:

1. As a group, develop ***specific*** strategies for reducing the # of HIV infections in the greater Sacramento region.
2. With strategies defined, we agree to make contacts and secure commitments from the different community venues in which testing is done.

Who needs to attend meeting #2:

Given this focus, who should be at the upcoming meetings?

- Community Service Organizations
- AIDS Service Organizations
- Sacramento County
- Jr. High and High Schools
- College and Universities
- Jail
- Recovery Centers
- Media
- Community Hot Spots (i.e. bars)
