Brainstorming

Group Exercise: How do we.....

- Increase routine testing in the greater Sacramento region.
- Increase testing among at risk populations *effectively* and *efficiently*.
- Provide HIV testing in emergency rooms, community clinics and by all providers when a STD is tested for/diagnosed.
- Best convey the need to test in specific communities.

Final Steps

Staff will be creating a draft work plan for the Testing Committee that will be a key part of the Strategic Initiative for HIV/AIDS Care and Prevention.
